BIRSE TRADING COMPANY

Directors since 2007

The Birse Trading Company (BTCo) was incorporated in 2007 as a wholly owned subsidiary of Birse Community Trust (BCT).

The first BTCo Directors were appointed by BCT's Trustees, with subsequent new Directors nominated by the existing BTCo Directors for approval by BCT's Trustees.

There is no requirement for one of the BTCo Directors to be a BCT Trustee, but this has been viewed as generally helpful given the shared interests of the two organisations.
